School Overview

Happy Valley State School has been proudly serving the community of Mount Isa since 1932. Here students experience success, have positive self image, and excel in and confidently master new skills. Our Prep to Year 6 curriculum, established using the Australian Curriculum, including Japanese, is augmented by Gifted and Talented, Early Intervention strategies and Learning and Special Needs Support. Classroom teaching programs are balanced and innovative but never lose sight of the foundations of English and Mathematics. Our school is active in the community participating in Anzac Day, eisteddfod competitions, local sporting competitions, and Rock Pop Mime. We have an active Out of Hours School Aged Care Program for students requiring before and after school care and holiday care. The value of the parental role in education is well recognised at Happy Valley State School. Parents are encouraged to become involved in the school, with our Parents and Citizens Association fostering cohesion within the school community and providing advice and additional resources critical to our success.

Principal's Foreword

Introduction

School Progress towards its goals in 2017

In 2017 Happy Valley State School focused on improving Quality Teaching & Learning through:

Clarity, Evidence Driven Instruction, Gradual Release of Responsibility and Monitoring Learning. We achieved our targets by using evidence to differentiate instruction, recognising that social and work skills needed to be taught to enable teachers to work with targeted groups of students.

We worked together to ensure every child achieves success:

- Academically
- Socially
- Emotionally

In an environment that was both supportive and challenging.

Future Outlook

Initiative	Objective	Target
To improve maths of all students by improving pedagogies for deep maths learning	What impact does pedagogies for deep Maths learning have on the NAPLAN achievement of all students at Happy Valley State School	Close gap between Report card results and NAPLAN results Increase number of students in Upper 2 bands for NAPLAN
To improve intervention process for students requiring support and extension.	What impact does intervention processes have on the Level of Achievement data of identified students at Happy Valley State School	All students with D or E receiving targeted intervention.

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2017:	Prep Year - Year 6
Student enrolments for this school:	

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	456	223	233	66	94%
2016	402	207	195	59	89%
2017	408	198	210	72	92%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

Happy Valley State School students come from a range of socio-economic backgrounds and from diverse cultural backgrounds. Some of the nationalities we have are: Maori, Pacific Islander, South African, New Zealander, Papua New Guinean, Filipino, Vietnamese and Indian.

Typically, student enrolments are directly impacted by the economic climate and employment situation of the mining industry within and around Mount Isa. Families include interstate and international enrolments as well as approximately 18% Indigenous students.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	23	20	23
Year 4 – Year 6	23	24	26
Year 7 – Year 10			
Year 11 – Year 12			

Curriculum Delivery

Our Approach to Curriculum Delivery

Happy Valley State School offers Music, Health and Physical Education and Instrumental Music and are taught by specialist teachers. Japanese is taught via Charters Towers School of Distance Education. All Japanese lessons for Grade 5 and 6 are held online with staff experienced in the Languages curriculum. A Support Teacher Literacy and Numeracy, Special Education Specialist and a Guidance Officer are available to support our students along with Administration, Teachers and Parents in a collaborative approach.

Consistency is shown with District, Statewide and Australian National Curriculum, Assessment and Reporting. When reporting, Happy Valley utilises Learning and Achievement Standards developed collaboratively by a committee of Heads of Curriculum representing all state schools in the Mount Isa District.

All Key Learning Areas are offered: English, Mathematics, Science, Humanities and Social Sciences (HASS), Health and Physical Education, LOTE (Japanese), The Arts and Technology.

Authentic learning – Through our curriculum we aim to promote learning through community links, that will engage and re-engage students in learning. Through the curriculum, teachers and students access community persons and resources to enhance the learning opportunities. The units are based on the Australian Curriculum as well as explicit teaching.

Spelling is taught using a consistent approach and incorporates the use of the THRASS (Teaching Handwriting, Reading and Spelling Skills) program. Teachers and Teacher Aides have been schooled in the use of the Program for consistency throughout the learning journey. The school also has two trained THRASS Mentors to support staff in the understanding of the Program and its implementation.

Co-curricular Activities

Instrumental Music – Woodwind, Brass, Percussion and Strings
Auskick program facilitated by AFL Qld in Term 2
ICAS testing provided by University of NSW
Outside School Hours Care (P&C)
Junior and Senior Choir
Mount Isa Eisteddfod
Student Leadership and Student Council
Rock, Pop, Mime
Interschool Sport Carnival Days (2 per term)
Year 5 Camp held each year
Other locally significant events

How Information and Communication Technologies are used to Assist Learning

Happy Valley State School has two fully equipped computer labs each with 30 touchscreen computers for whole class or group work, as well as 9 desktops available in the library.

All classes have access to an electronic whiteboard within their classroom space.

All students and staff have access to the Internet, with an improved bandwidth on our site.

We have also continued to purchase the 'Mathletics' program for the 2017 year.

Classes have banks of laptops available for use in the classrooms and iPads are available in Prep.

Social Climate

Overview

In 2017 Happy Valley State School staff focused on building positive and proactive relationships with students and parents. Our school's Responsible Behaviour Plan guides our discipline procedures and promotes consistency across year levels. The Responsible Behaviour Plan was revised in 2016. Each classroom has a negotiated set of rules and expectations, a sequence of steps to follow (For example, reminder, warning, time out, buddy class / detention, office referral) and both individual and whole class rewards for positive behaviours and learning outcomes.

We run a whole school social skills program which includes weekly lessons, daily reminders of the lesson and a common language that all staff and students can use when discussing the issues. Each week a new social skills lesson is introduced by the teachers at the Monday school parade and a flyer is sent home for parent information. As an example, in the skill 'Deal or No Deal' teachers presented different scenarios to students so that they gain an understanding of what situations they can 'deal' with themselves and what situations are 'no deal' and therefore should be referred to an adult. This lesson teaches worthwhile skills for all ages, and has helped young students learn to deal with low level situations such as when a friend says 'I don't want to play with you today'; and it also teaches older students that it is OK to ask for help, such as when teasing becomes repeated over time or in situations where a child feels scared or threatened by another. Through a reinforcement of these 'life skills' our behaviour in the school continues to improve with less suspensions and detentions recorded across the year.

In the school opinion survey results indicated levels of achievement in the satisfied and very satisfied categories as follows. 97% of our parents reported that their child liked being at school. 99% of Students report that teachers motivate them to learn and do their best. This is done through providing feedback, with 99% of students reporting that their teachers provide them with useful feedback about their school work.

* Nationally agreed student and parent/caregiver items

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Parents and carers are encouraged to become involved in their children's education at Happy Valley State School through a range of ways including:

- Parent consultation sessions on how to improve mathematics learning
- Parent helpers at the tuckshop, in the classrooms, at sports activities and other school events
- Parents visit classes for one-off or regular classroom lessons
- Parents become involved in P&C, or its subcommittees of School Age Care or Tuckshop
- Parents come along during the term for class presentations of work or special performances
- Parents attend weekly parades
- Parent attend our special events or fundraisers
- Parents become actively involved in learning units where specific knowledge or expertise is required

Respectful relationships programs

We run a whole school social skills program which includes weekly lessons, daily reminders of the lesson and a common language that all staff and students can use when discussing the issues. Each week a new social skills lesson is introduced by the teachers at the Monday school parade and a flyer is sent home for parent information. As an example, in the skill 'Deal or No Deal' teachers presented different scenarios to students so that they gain an understanding of what situations they can 'deal' with themselves and what situations are 'no deal' and therefore should be referred to an adult. This lesson teaches worthwhile skills for all ages, and has helped young students learn to deal with low level situations such as when a friend says 'I don't want to play with you today'; and it also teaches older students that it is OK to ask for help, such as when teasing becomes repeated over time or in situations where a child feels scared or threatened by another. Through a reinforcement of these 'life skills' our behaviour in the school continues to improve with less suspensions and detentions recorded across the year.

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	8	6	29
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	1
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns. At Happy Valley State School we have installed solar panels and continue to monitor the use of electrical items. We promote the use of timed air conditioners and continue to raise awareness with staff and students about the importance of reducing our environmental footprint. The Oval bore pump is used mainly to water the sports oval, providing an excellent surface for students to play.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	323,542	
2015-2016	285,616	
2016-2017	309,201	75

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

From the end of the previous school year, 77% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	94%	93%	93%
The attendance rate for Indigenous students at this school (shown as a percentage).	89%	87%	89%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

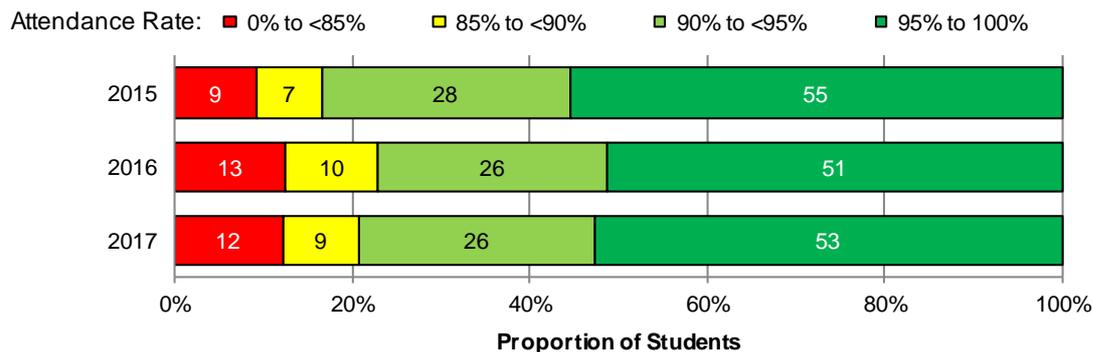

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	94%	93%	94%	94%	95%	95%	94%						
2016	90%	93%	94%	93%	93%	94%	94%						
2017	93%	91%	94%	95%	94%	94%	93%						

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Happy Valley State School has a significant focus on attendance through a whole school approach within our 'Closing the Gap' strategy. Our procedures include:

- Teachers mark the electronic class roll 2 times each day
- Late students must report to the office and late slips are given and late attendance is recorded by the Office
- Office staff contact all absent students' parents / carers every day where absence is unexplained via text message
- Students with attendance averaging less than 80% in the previous term are monitored closely and home visits are contacted where necessary
- The Deputy Principal/Principal and Indigenous Education Worker work with parents to support and improve attendance daily
- Records of absences and outcomes of phone contacts and home visits are sighted by the Principal daily
- Each week class attendance is totalled and an attendance award is presented on parade to the highest attending class or where improvements are noteworthy
- Attendance messages are sent home in the newsletter and the class term newsletters, as well as on the electronic sign
- Certificates awarded to students with attendance of 100% each term.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following '**Find a school**' text box.
