

# Investing for Success

**Under this agreement for 2017  
Happy Valley State School will receive**

**\$180,484\***

## This funding will be used to

- Increase the percentage of students achieving C or better in English in Years 1 and 2 to 90%.
- Increase the percentage of students meeting Upper 2 Bands of NAPLAN in Year 3 Reading to 50%.
- Increase the percentage of students performing in the Upper 2 Bands of NAPLAN in Year 5 in Literacy and Numeracy in 2017.

## Our initiatives include

- Additional teacher aide support to facilitate improved reading outcomes for Aboriginal and Torres Strait Islander and Early Years students;
- Professional development for teachers and teacher aides to build capacity in Quality Teaching and Learning with a focus on using evidence driven instruction to differentiate learning;
- Building and developing teacher capability in explicit teaching practices in literacy through coaching and associated support;
- Employing additional teacher time to maintain support reading and differentiation.
- Master Teacher to facilitate the improvement of Numeracy pedagogy within school.
- Using technology to differentiate learning including Booster Programs to be accessed for targeted students in Year 4 and 5 for Reading, Writing and Numeracy.

## Our school will improve student outcomes by

- Purchasing additional support time to facilitate improved reading outcomes in Aboriginal and Torres Strait Islander and Early Years student Reading. \$40 000
- Funding professional development opportunities to improve the teaching of literacy and numeracy and additional resources. \$50 000
- Employing an additional teacher to provide reading support and coaching. \$40 000
